PROFIT WARNING

This announcement is made by Zhongtian Construction (Hunan) Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on the Stock Exchange (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on a preliminary assessment of the Group’s unaudited consolidated management accounts for the year ended 31 December 2025 (the “**Year**”) and the information currently available to the Board, the Group is expected to record a net loss in the range of approximately RMB70.0 million to RMB78.0 million for the Year, compared to a net loss of approximately RMB26.4 million for the year ended 31 December 2024 (the “**Previous Year**”).

The Board believes that the significant increase in net loss for the Year as compared to the Previous Year is primarily attributable to:

1. a decrease in revenue from approximately RMB930.8 million in the Previous Year to approximately RMB586.3 million for the Year, primarily due to the overall economic slowdown and a reduction in construction projects; and
2. a substantial increase in the impairment on financial and contract assets, net, from approximately RMB37.6 million in the Previous Year to approximately RMB74.0 million for the Year, resulting from prolonged settlement periods from customers and the corresponding expected credit loss provisions.

As at the date of this announcement, the Company is still in the process of finalizing its results for the Year. The information contained in this announcement is only a preliminary assessment by the Board based on the unaudited consolidated management accounts of the Group for the Year and the information currently available to the Board, which has not been audited or reviewed by the Company's independent auditor or the audit committee of the Board and may be subject to adjustments. As such, the actual financial results of the Group for the Year may be different from the information disclosed in this announcement.

Details of the Group's annual results for the Year will be disclosed in the annual results announcement of the Company, which is expected to be published by the end of March 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
